

San Marco Closes Oversubscribed \$1.52 Million Private Placement

Vancouver, B.C. – November 1st, 2017: San Marco Resources Inc. (SMN: TSX-V) ("San Marco" or "the Company") announces that it has completed its private placement financing announced September 29th, 2017. A total of 8,444,444 units (Units") were issued at \$0.18 per Unit for gross proceeds of \$1,519,920, a greater than 20% increase over the original financing target of \$1,260,000. Insiders of the Company acquired 1,190,000 (over 14%) of the Units issued in this financing.

Each Unit consisted of one common share of the Company (a "Share") and one-half of one common share purchase warrant. Each whole warrant (a "Warrant") entitles the holder to purchase one common share for \$ 0.35 until April 30, 2019. The Shares issued and common shares issuable on exercise of the warrants are subject to four month restrictions on resale until March 1, 2018.

Finder's fees were paid to Haywood Securities Inc. (\$41,310) PI Financial Corp. (\$4,860), Echelon Wealth Partners (\$1,620) and T-Bone Ventures Inc. (\$4,493).

The monies raised will be immediately deployed to advance the Company's properties including the work required in preparation to drill both the Chunibas Project, where the Company recently announced a newly discovered porphyry-related breccia gold system (*see news release dated [September 21st, 2017](#)*) and the 1068 Project, where the Company also recently announced high priority drill targets have been identified on this undrilled copper, molybdenum and gold porphyry system discovered from San Marco's generative program (*see news release [September 26th, 2017](#)*).

The securities described in this press release have not been and will not be registered under the United States Securities Act of 1933, as amended, (the "U.S. Securities Act") or applicable state securities laws, and may not be offered or sold in the United States or to U.S. Persons (as defined in the U.S. Securities Act) without registration, or exemption from registration, under such laws.
